

E-Club-District 5870  
President's Message  
January 23, 2019

From Martha Myers, Membership Chair:

I am standing in for President Carol as she is enjoying a much needed vacation.

There is a timely article in the current Rotarian Magazine about E-clubs and I recommend everyone read it. Our type of club is really getting widespread notice and it seems we are all experiencing similar growing pains.

I sent an email inviting everyone to participate in the Manor New Tech High School' Presidential Citation ceremony next week. Their school district board is honoring them on Monday Jan 28, and we will have an award ceremony on Jan 30 at the school. Please let me know by Friday if you will attend the ceremony on Jan 30 at 3:45pm as I need to arrange refreshments. I'd like to have a good turnout to show our support for their wonderful achievement so please make an effort to join us. Contact me with any questions.

Next weekend is the Foundation Dinner and I'm looking forward to seeing many of you there. These events are always informative with exceptional speakers.

Kent Bohls, Erik Svenkerud and I met at Intera offices to record classification talks. I'm working on getting them uploaded to our website. I am offering to hold one event each month to help any member who wants to get theirs done. 2 at a time is manageable.

Gene thank you for the recent information about RI Foundation giving. It really is easy to support the worthwhile projects of Rotary.

Thanks to everyone who has volunteered their valuable time to support our club and the projects we are involved in. We stand on each other's shoulders to succeed.
